## YOU HAVE THE RIGHT TO LEAVE!

### WHEN...

- ... you experience violence in your relationship;
- ... you live in a climate of fear;
- ... your children are affected as well, and you want to leave;
- you have the right to leave the conjugal home together with your children.

### WHERE TO?

In such a situation, you can contact us by phone. For security reasons the refuge is at an anonymous address. You will find temporary shelter and help. You will live with other women and their children, who have had similar experiences as yourself. Together we will find a solution for you and your children.

### THE «FRAUENHAUS» (SHELTER FOR WOMEN) OFFERS...

We take your concerns and fears seriously, we are committed to the rights of you and your children. We will support you in finding a solution to your situation.

The costs of the stay should not prevent you from seeking shelter at the «Frauenhaus». The possibilities for financing your stay will be worked out with you and the relevant social welfare offices.
